REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to show or fairly suggest a device and a method of measuring a property of a surface as set forth in independent claims 1 and 17. In particular, the prior art of record fails to show or fairly suggest a plurality of detection units disposed within the passage to detect traversal of the passage by an object directed there through, wherein the passage includes a first pair of detection units disposed toward a first end of the passage and separated by a first predetermined distance, and a second pair of detection units disposed toward an opposing end of the passage and separated by a second predetermined distance; and a processor to determine the deceleration in accordance with detections from the detection units, and to produce a resultant measurement value indicative of the surface property and in relation to a predetermined scale based on the deceleration, wherein the processor includes a first interval module to measure elapsed time for the object to travel between the first pair of detection units and a second interval module to measure elapsed time for the object to travel between the second pair of detection units, along with the rest of the claimed limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kim T. Nguyen whose telephone number is (571) 272-4441. The examiner can normally be reached on Monday-Thursday from 8:30AM to 5:00PM ET.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Xuan Thai, can be reached on (571) 272-7147. The central official fax number is (571) 273-8300.
